

Nurturing Parenting Skills for Families in Supervised Visitation™

Lesson 11.2: Helping Children Manage Their Behavior

Goal: To increase parents' knowledge of the concept of discipline.

Parent(s)

Name: _____

Children: _____

Date:		Arrival Time:
Staff:		
Lesson Competencies: Highlight Key Points of the parenting lesson and observed behaviors and interactions of the parent(s) during the class.		
Parents can describe the strategies they use to help their children manage their behavior. YES ____ NO ____ Comments:		
Visit Summary: Describe the ways the parent(s) incorporated information from the parenting lesson into the visit by listing observed behaviors and interactions.		

Note: The observations of the supervised visit were made in a controlled, supervised environment, which should not be used in isolation to predict behavior outside this environment.
